when you dealing wit a street nigga, you have to understand you not just dealing wit a nigga that carry guns and sell drugs... you're dealing wit an emotionally disappointed man ! a man that has taken ultimate losses.. friends, family and freedom... a man who has endured pain you couldn't imagine & has spent a lifetime trying to hide it wit clothes, money, cars, jewelry.. etc. A man that has been disappointed by every form of love that exists .. all i'm saying 🙏 dnt b so quick to judge a street nigga cus you have no idea of the battles he fought 🙏
